

For the past 30 years, **I've dedicated my life to keeping Californians safe.** As Sheriff of Riverside County—one of the largest counties in the state—I've seen firsthand what happens when politicians in Sacramento put criminals ahead of law-abiding citizens.

I didn't stand by and let it happen. I fought back. I held criminals accountable, supported law enforcement, and made Riverside County's 2.3 million residents safer.

Once our streets are secure, families must be able to **find good jobs, start businesses, buy homes, and raise their kids in strong communities.** That's the California Dream—and that's what's being destroyed by the same politicians who let crime run rampant.

But the truth is that a Sheriff can only do so much. Law enforcement officials don't write or sign laws. Our elected representatives in Sacramento do.

That's why I'm running for governor.

I need you with me for the bigger fight ahead. The fight to take back the Governor's Mansion and save California:

Sacramento needs real leadership—someone who won't back down when the left and their special interests try to cling to power. I've protected Californians for 30 years.

For California,

Sheriff Chad Bianco

Republican Candidate for California Governor
