

Heritage Palms Republican Club Supports Businesses in our Community

YOU ARE AMONG THE FAVORITE MERCHANTS IN THE COACHELLA VALLEY.

We would like to help let people know how good the experience and service was at your establishment. Our club would help spread the word about your business, and in turn, support conservative values. That is why I have left this envelope and hope you will participate in our efforts. You will be displayed at our monthly meetings and listed as a sponsor on our website, HeritagePalmRepublicanClub.org, along with other businesses and restaurants that are supportive such as the Cliff House, Eddie V's, Fresh Agave, Jackalope's, Lavendar Bistro, Mitch's, Pacifica, Roadrunner, Waldo's and many more.

I am a member of the **HERITAGE PALMS REPUBLICAN CLUB**. Heritage Palms is a 1,000 home community located at the corner of Fred Waring and Jefferson in Indio. We work to propel conservative values and support local businesses in their quest to serve Coachella Valley. We present monthly programs at our Clubhouse on key issues, candidate forums and town halls. We raise money through raffles and club membership dues. We also support and donate to local candidates.

We hope that you will consider donating a gift card or gift certificate from your business to support our program raffles. Again, your business would be displayed at our events and advertised on our website. Please call me if you would like to participate.

Thank you for running an outstanding business!
