CAN YOU BELIEVE IT ?????

THE DEMOCRATIC SOCIALISTS OF AMERICA NOW WANT TO "ABOLISH MARRIAGE" WHAT???

It was not a surprise to find out that the Democratic Socialists of America now want to “abolish marriage”.

As reported in the *New York Post* on August 9, 2025, “Zohran Mamdani’s twisted comrades at the Democratic Socialists of America pushed for the ‘abolition’ of the traditional marriage at their annual conference, called marriage and sex work ‘two sides of the same coin’ and proclaimed abortions should be done in churches”.

Yep, you heard that right! And that article by the *New York Post* was written one year ago, in **2025** before Mamdani was elected as Mayor of NYC. Stu Smith, an investigative analyst with the Manhattan Institute, was quoted in the article as stating the following, **before Mamdani was elected:**

> *Mamdani’s Democratic primary win had DSA members feeling so cocky at the conference that many think they can “burn the whole house down.”*

> *"I think they're drunk on the aspect that they might actually get to be in power of the greatest city on earth," he told The Post. "They think they've already won, and they're completely willing to say whatever they want to say now. I think a lot of them are emboldened."*

The article in the *New York Post* further reported:

> *Councilman Robert Holden, a moderate Queens Democrat, said the panelists' remarks [during their annual conference] should serve as a warning to all NYC residents of the threat Mamdani poses to traditional American values.*
>
> *"Zohran Mamdani and his allies in the DSA are openly laying out their radical 'Project DSA 2026' agenda for state-run families, indoctrinating our children, and dismantling the very fabric of our society," he said. "This is exactly why we must defeat Mamdani and ensure he never gets anywhere near Gracie Mansion or City Hall."*

Well, Mamdani did win, and the DSA is on a roll.

As we reported in our earlier Newsletters, the agenda of the DSA is actually the definition of communism. The basis of their argument for the abolition of marriage is defined in the Communist Manifesto by Karl Marx, arguing that marriage is "exploitative of women", and that children and their education should become the property of the state. Sound familiar? Randi Weingarten anyone? Recall that she is the President of the American Federation of Teachers attempting to indoctrinate gender identity and other liberal social issues on our children against the approval and consent of parents.

The *Heritage Foundation* recognized the dangers of the rise of the socialists/communists in March of 2022 when they wrote:

> *"Communists indeed tell us again and again that they are at war with the family because they know it is a handy way to destroy society. Eric Mann, an influential communist in Los Angeles, was candid in an interview in 2015 that whether the issue was race, sex, or climate, the goal is to overthrow the government of the United States."*

Can You Believe It?? YES!!!

The rise of the Democratic Socialists of America has not been sudden. It has been brewing for decades. It has just now reached its peak with the election of Mayor Mamdani in NYC and the 35 other DSA member primary wins, including Michigan Democrat Senate candidate, Abdul El-Sayed, who actually called breast cancer funding "disturbing" and "tied the disease to privilege". Their wins are a "shot across the bow" and we must recognize the danger that they pose. The most stunning revelation is that the DSA is actually being supported by the Democratic Party of Andrew Jackson and John Fitzgerald Kennedy….a party that is now more interested in power than the governing principles of our Constitution and Bill of Rights.

If we are to keep our government and our beloved country, that for centuries has promised "life, liberty and the pursuit of happiness", we MUST become involved and push back on the madness of the Democratic Party and their acolytes, the Democratic Socialists of America.

Can You Believe It?? YES!!!

Wake Up America!!
